ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

Our Annual Plan is based on the premise that if we accomplish our goals and objectives we will be working toward the achievement of our mission.

The plans, statements, budget summary, policies, etc. set forth in the Annual Plan all lead towards the accomplishment of our goals and objectives. Taken as a whole, they outline a comprehensive approach toward our goals and objectives and are consistent with the consolidated plan. Here are just a few highlights of our Annual Plan:

We have retained three (3) federal preferences for applicants who are without housing due to fire, flood, etc., paying more than 50% of income for rent; also we have a preference for working families.

We have implemented an aggressive screening policy for public housing to ensure that new admissions will be good neighbors. Our screening practices will meet all fair housing requirements.

We have implemented a deconcentration policy.

Applicants will be selected from the waiting list by preference and in order of the date and time they applied.

We have established a minimum rent of \$38.00. We have established flat rents as of October 1, 2003.

In Summary, it is the authority’s desire to improve the condition of affordable housing in Humboldt.

We are preparing to replace roofs at Project 27-1.

We will continue to provide tutoring for our youth through Operating Funds or other funding sources available since we are no longer funded for Drug Elimination.
